

api.auth.authenticate_user

api.auth.get_current_user

api.auth.get_user

```
graph LR; A[api.auth.authenticate_user] --> C[api.auth.get_user]; B[api.auth.get_current_user] --> C;
```

The diagram illustrates a mapping or dependency between three API endpoints. On the left, two white rectangular boxes with black borders contain the text 'api.auth.authenticate_user' and 'api.auth.get_current_user'. On the right, a gray rectangular box with a black border contains the text 'api.auth.get_user'. Two blue arrows originate from the right side of the leftmost box and the right side of the bottom-left box, both pointing towards the left side of the gray box on the right.
